For Further Thought or Discussion

- 1) Think or talk about our country or world and what things seem to be out of control? What is not as it should be in your life or world?
- 2) Psalm 2 is structured into 4 parts, almost like a drama with 4 Acts. As you think about the chaotic events in your life or world, what act or part of the story would you put them in? What might come after them?
- 3) What comfort do you have in the midst of chaos?
- 4) Who is involved in the rebellion against God? What is your part?
- 5) How is the rebellion stopped or thwarted?
- 6) In what ways do you take “refuge” in Jesus?
- 7) What are other applications you could take from this week’s message?
