Zechariah: A Song of Hope and Faith

Understanding God and our Silence

- 1) God is _____ in Our Silence
- 2) God Will _____ the Silence
- 3) God Wants Us to _____ in the Silence

For Further Thought or Discussion

- 1) Think or share about a time in your life when God seemed silent. How long did it seem that God was silent?
- 2) God was “silent” for 400 years between the Old Testament and New Testament. What does this tell you about God’s sense of timing as compared to most people?
- 3) What did you learn God was up to in this 400 year “silent” period?
- 4) How can silence be good for you?
- 5) What can you be sure of in times when God seems silent?
- 6) What other applications or action steps could you take from this week’s message?
