### The Gifts of the Wise Men—Matthew 2:1-12

#### The Way of the Wise

- 1) Looking for the \_\_\_\_\_
- 2) Recognizing \_\_\_\_\_ as the King
- 3) Moving in the King's \_\_\_\_\_
- 4) \_\_\_\_\_ the King

#### For Further Thought or Discussion

- 1) In the story of Jim & Della, newlyweds who sacrificed their most prized possession for one another, why do you think the author considers them to be “the wisest”?
- 2) Who is the King or Lord of your life? Who determines your steps and choices?
- 3) Like Herod and the Magi, do you seek the King or just want something from this King? How can you grow in your relationship with Jesus (the King)?
- 4) What helps you to be obedient to God and step out in action when you are unsure of the results of that action?
- 5) How is God’s wisdom different than man’s wisdom?
- 6) What is the goal of the Magi?
- 7) What other applications or action steps could you take from this week’s message?
