For Further Thought or Discussion

- 1) Strength is not always found in size or appearance. What other examples of this can you think of?
- 2) How does the church of Jesus Christ resemble an aspen grove?
- 3) What characteristics or roots listed above are strengths of our own church family?
- 4) What roots or areas do you think we could certainly benefit to grow in?
- 5) What do you think is the one characteristic that is to define us the most as Christians? Do you think our closing song this morning is true? Why or why not?
- 6) What other applications or action steps could you take from this week’s message?
