- 3) What helps you overcome the fear of rejection or what others may think?
- 4) According to this text, what is appropriate to boast about?
- 5) Does Jesus want to remodel us or build something new in us? What makes this possible and what does it look like?
- 6) How is the way of the cross different than the way of the world?
- 7) What other applications or action steps could you take from this week's message?
